Tamara Editorial room contains a list of the Tamara Board members. We are all toasting the possibilities of the inaugural issue. Some of us have children.

In this Room, there is a brief chronology of key events that lead up to Tamara getting off the ground.

You will also find an Editorial "A Mansion with Many Rooms" that tells a few stories to give some historical context, and looks at our existential possibilities and our nothingness.

What would a rebellion be without a manifesto. You will find a Tamara Manifesto in this room. It defines the terms in the title of the journal and gives you a sense of more possibilities.

We do reviews and we invite responses. There are two reviews of the Tamara Manifesto in this Room by Tamara Board members. We will continue to invite responses to editorial commentary.

You are encouraged to write us with your own response.
